Motion carried and so ordered.

Mr. Christy will be attending a Planning and Zoning training seminar along with two members of the Planning and Zoning Commission. Seventeen building permits were issued for May 2014 and there are currently three pending building permits. There are currently thirty four active code enforcement investigations, up from thirty active the previous month.

Steve Dye, Juvenile Probation Director, appeared. The caseload numbers are the same as last month, as is the community services projects. He has hired a new employee who is working out very well. Mr. Dye discussed the issue of runaways. The City of Mountain Home has a runaway ordinance, but the county does not. He feels the county needs to adopt a similar runaway ordinance.

Jennifer Crogg, Misdemeanor Probation, appeared. The total number of clients on probation is one hundred fifty nine. As of this date, eight clients were added to the case load and five clients were released or terminated from probation. The number of conditional release clients is thirty seven and there are four

restitution cases. There are thirty three clients enrolled in community services, which is the number of clients on unsupervised probation only.

Alan Lawler, Resource Conservation & Development (RC&D), appeared. RC&D is working on a project in Glenns Ferry to find funding to by a pump to reactive an old irrigation system which will use water pumped from the Snake River. Mr. Lawler has been coordinating with the waterways department on a boat ramp project at Hammett Park. He has been working with the Bureau of Reclamation regarding canal re-lining to help lessen water loss.

Carol Killian, Disaster Services Coordinator, appeared to update the board. Ms. Killian and Clerk Steele met with FEMA regarding the Trinity Ridge fire and they are currently working on reimbursements for the Elk, Pony and Little Queens fires. Ms. Killian is working on organization of roadblock workers in the event of a future disaster. The Emergency Preparedness Fair went well. The big focus at the fair was to get people to sign up for Alert Sense, which will automatically notify individuals of disasters, emergencies, Amber alerts, etc. GPS systems in the county’s emergency vehicles were discussed. Ms. Killian will research possible grant funding to purchase the GPS systems.

The monthly elected officials meeting was held.

Employee salaries were discussed.

Assessor Ron Fisher reviewed his ratio study and assessments. His office will be sending out assessment notices on Friday.

Treasurer Rose Plympton stated that her office has had one property redeemed and they should have one or two more properties redeemed before they go to tax sale in August.

Clerk Steele stated that her department may hold a school levy election in August. They are still waiting to hear from the school districts.

Deputy Barclay appeared to discuss budget requests. They will be requesting five new vehicles in the 2015 budget. They will purchase three SUVs and two Dodge Chargers. One SUV will be for administrative use for the drug dog officer, one will go to the Pine/Featherville area and one will go to Search and Rescue. The two Chargers will be for patrol officers. Deputy Barclay stated that it may be cheaper to pre order lights for the new vehicles. Installs will now be approximately \$10,000 per vehicle. This price does not include camera installs, which would be an additional \$6,000.00 per vehicle.

Motion by Hofer, second by Wootan, to approve the expenses in the amount of \$111,323.12.
