The first was to provide Glenns Ferry, at no extra cost, with an in depth report and marketing package so they can be prepared for any businesses they may be trying to get into the city. For an additional \$10,000.00 per year Glenns Ferry would be provided with ten business matches per year. The board received a call from Rusty Faircloth, a member of the Mountain Home ATV Club, wanting to inform the board of a proposed house bill regarding Off Highway Vehicle funds. The proposed bill will take the trail maintenance responsibility from Parks and Rec and put it onto the county, with little funding available to the county from registration fees. He feels that this would not be a benefit to Elmore County due to the cost of purchasing the equipment to maintain the trails and operational costs.

Motion by Hofer, second by Wootan, to adjourn.
