PUBLIC MEETING

Comprehensive Plan Workshop

Christy stated that due to some work issues at the Growth and Development office there isn't much of a workshop at this time. He stated that one of the things being worked on is an easier format for the comp plan. He stated that he is going to give the commission members some homework regarding this. He stated that he is going to give them another copy of the comp plan that is easier to read and asked them to look over it and note items that need to be maintained or possibly changed, or if anything needs to be added. He stated that they can look over some other comp plans from other Idaho counties to see what else is out there. He stated that this is a legislative matter and can be discussed outside of a meeting.
