Dear Property Owner,

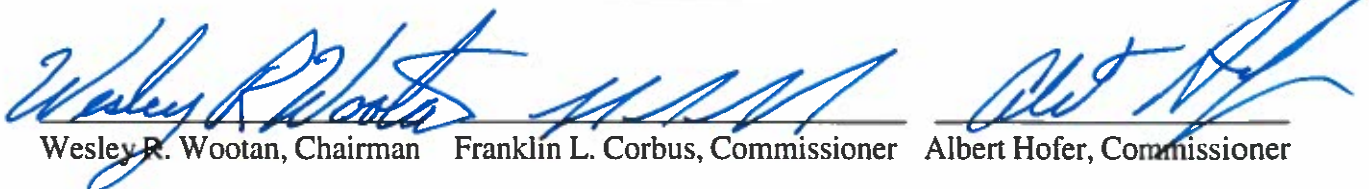

We, the Elmore County Commissioners, would like to bring your attention to the issue that has been brought before us by the Idaho State Tax Commission regarding the increases in irrigated Ag land valuations. Enclosed is the letter from the State Tax Commission with options put forth to the county commissioners and a list of the proposed increased to each area. After meeting with the State Tax Commission on August 3, 2018 to try and resolve this issue, we have decided not to move forward with these immediate increases and the issue will be taken to the State Board of Equalization for a decision.

We have decided to hold a **Town Hall Meeting on Friday, August 17, 2018 at 6:00 p.m.** at the Elmore County Courthouse to discuss the issue and any questions or concerns that you may have. A representative from the State Tax Commission will be also be present to explain the reason for the increases. We strongly encourage all irrigated Ag land owners to attend this town hall meeting.

The Idaho State Board of Equalization will hold a **Public Hearing on Friday, August 24, 2018 at 9:00 a.m.** regarding the increases and to take public testimony. Again, we strongly encourage all irrigated Ag land owners to attend this public hearing to voice their concerns. The public hearing will be held at the State Tax Commission Office, 800 Park Boulevard, Plaza IV, Conference Room 1CR5, Boise.

We hope to see you all at the Town Hall Meeting!

Sincerely,
Elmore County Commissioners

Wesley R. Wootan, Chairman Franklin L. Corbus, Commissioner Albert Hofer, Commissioner
