State

Zip

Account or Loan Number

Year

Make

Model

Vehicle Identification Number

The applicant has stated the current vehicle title is being held by you as lien holder. Idaho requires the out-of-state certificate of title be surrendered before titling and registration can be completed.

Please submit the original title and photocopy of this letter to our address shown at the top of this form.
If your lien is still active, it will be recorded on the Idaho title, which will in turn be mailed to you after processing. If your lien is no longer active, please release the lien on the title and surrender it to this office.

Your customer will not be able to obtain a permanent registration in Idaho until the title you are holding is submitted.

Sincerely,

Deputy Assessor

******Note: If the applicant's vehicle is leased, please provide us with your Idaho lessor's tax collection ID# _____**
