### 2020 Presidential Primary / 2020 Primary Election

**IMPORTANT:** To participate in the Presidential Primary and the Primary Election in 2020, every registered voter must either be affiliated with one of the 4 recognized political parties or have designated themselves an "Unaffiliated" voter (i.e. no party preference). If you have not yet selected a party affiliation, you may do it prior to the 2020 Presidential Primary and the 2020 Primary Election by **completing #4 - Party Affiliation** below. Any registered voter who has not selected a party affiliation or designated themselves as an "Unaffiliated" voter by the 2020 Primary Election shall be automatically designated as an "Unaffiliated" voter.

Besides selecting a Party Affiliation for the 2020 Presidential Primary and the 2020 Primary Election, you must also identify the Ballots you wish to receive by **completing the Ballot Request sections** below. Some political parties restrict their ballots to affiliated voters only. Due to these restrictions you will see your available ballot options in the same row as your party affiliation below. **PLEASE NOTE: Non-Partisan ballots contain only bonds, levies, measures and non-partisan positions like Judges, they DO NOT contain candidates from ALL PARTIES.**

You may change your party affiliation or become unaffiliated until **March 13, 2020**. This means you have the option to change your affiliated party between the March Presidential Primary and the May Primary. **If you are filling out this form after March 13, 2020, please skip section 6.**
