The Elmore County Commissioners met in regular session on the above date in the Commissioners
Room, basement of the Elmore County Courthouse, 150 South 4th East, Mountain Home, Idaho.

Present at the meeting were Chairman Arlie Shaw and Commissioner Wes Wootan. Also present
were Civil Attorney Buzz Grant, Clerk Barbara Steele and Deputy Clerk Shelley Hooper.
Commissioner Al Hofer was absent from the meeting.

Allen Kiester, Pine EMS and Lesia Knowlton appeared to discuss the Pine Volunteer Supervisor
position. Mr. Kiester stated they are currently without a volunteer supervisor and Ms. Knowlton
would be a good candidate to fill the position. Chairman Shaw explained that the Board has
discussed with Elmore Medical Center to have them oversee the Pine EMS operations. Mr. Kiester
reviewed the protocol which needs to be followed and someone needs to be in charge of making sure
that is happening. Ms. Knowlton has already been working with the Pine EMS for about ten years.
She stated there are very few volunteers that live in the Pine area and most volunteers come from out
of town and stay a few days to cover shifts. The Pine EMS being its own corporation was discussed.
Mr. Kiester stated it is important to get a supervisor in place as soon as possible to get the day to day
operations going again. Discussion followed.

Motion by Wootan, second by Shaw, to appoint Lesia Knowlton, assisted by Allen Kiester to
perform administrative duties of the Pine EMS.

A member of the public suggested hiring an Emergency Services Coordinator for Elmore County
who can oversee emergency services county wide and then suggested Alan Roberts for the position.

Alan Roberts, Extrication Department, appeared to discuss the Pine Joint Ambulance Shed and
Sheriff’s Sub Station. He has found that there is no room for the rescue truck to park in the garage,
since there are two Pine ambulances already parked in there. The rescue truck cannot be parked
outside through the winter, and is now being housed in Mountain Home. Currently, there is not
enough ambulance staff to man two ambulances in Pine, so Mr. Roberts suggested housing one
ambulance in Mountain Home so there is room for the rescue truck in the Pine building. Discussion
followed.

A short recess was taken.
Regular session resumed.

Dewey Crane, of Snake River Rubbish, appeared to discuss the King Hill and Hammett transfer sites. Mr. Crane would like to change the set up of the sites so they can use front end loader trucks. At the King Hill site, he would like to take down the west fence and add it to the south edge of the east fence to accommodate dumpsters. At the Hammett site, he would like to take the west fence down and add half of that fence to the south fence and the other half to the north fence to accommodate trucks unloading. If the changes do not work, he will move all of the fencing back to the original spots and all of the work will be done at his expense. The Board agreed to the changes. The Glenns Ferry site was also discussed. Chairman Shaw was concerned about what was going in and out of the site with no one there monitoring the site. Mr. Crane stated he can have a man there and have another man go to King Hill and Hammett on opposite days to monitor those sites. The Atlanta trash pick-up was also discussed. Mr. Crane would like to make a pick-up every six weeks from December through March and go back to weekly pick-ups the rest of the year, due to the small amounts of trash during the winter months.
