The Elmore County Commissioners met in regular session on the above date in the Commissioners Room, basement of the Elmore County Courthouse, 150 South 4th East, Mountain Home, Idaho.

Present at the meeting were Chairman Al Hofer, Commissioners Bud Corbus and Wes Wootan. Also present were Civil Attorney Buzz Grant, Clerk Barbara Steele and Deputy Clerk Shelley Hooper.

Marty Jones, Central District Health, appeared to review the bid packets for the management of the Glenns Ferry Collection Site. Mr. Jones stated that both bid plans comply with the requirements and regulations of the collection site management. The chosen party will be responsible for the operation of the collection container site, the upkeep of the area around the site and the upkeep of the inactive landfill.

The Board reviewed the bid packets. Discussion followed regarding the costs and services each company would provide. Snake River Rubbish bid $3,500.00 per month, with additional charges for an extra dumpster service of 40 cubic yards at $250.00 per occurrence and an hourly rate for a loader at $65.00 per hour if the loader is needed more than two hours per month. Idaho Waste Systems bid a flat rate of $4,583.00 per month. Chairman Hofer stated that if Snake River Rubbish is awarded the contract, the waste will be hauled to the Bennett Road landfill instead of directly to the Simco Road landfill, resulting in the county being charged an additional monthly fee of $500.00 to have the trash hauled to the Simco Road landfill.

Motion by Wootan, second by Corbus, to accept the Snake River Rubbish bid for the management of the Glenns Ferry Collection Site pursuant to their bid, and have Attorney Grant prepare a contract for further review by the Board. Attorney Grant will also prepare a termination letter to the current management company.

Attorney Grant discussed a request for a letter of support from Allen Lake of the Atlanta EMS for a grant proposal. There is a concern regarding the fact that the Atlanta EMS is a department of Elmore County for insurance purposes, but they will be applying for the grant as a separate entity instead of a county department. Attorney Grant feels that the grant application should state that Atlanta EMS is
technically a department of Elmore County and the assets from the grant will be owned by Elmore County. Discussion followed. Attorney Grant will draft a support letter for review by the Board.

Assessor Ron Fisher appeared to discuss an application for property tax exemption from Edward and Debora Montrose on parcels RP002790010020A, RP002790010050A and RP002790010080A located in the Montrose Estates subdivision. Mr. Fisher’s office has inspected the subdivision and found that the owners are entitled to the new developer’s exemption, which will give them a 75% exemption of the market value, so they will be taxed on the remaining 25% net taxable value. The total market value of the property is $190,886.00. 75% of the market value is $143,164.50, which makes the net taxable value $47,721.50. The exemption will remain in place until construction starts on any of the lots or any bare lot is sold. Chairman Hofer recused himself from the decision as the applicants are related to his stepson.

Assessor Fisher and Clerk Steele reviewed the personal property tax issue.

Motion by Wootan, second by Corbus, to approve the property tax exemption form for Edward and Debra Montrose, reducing the total net taxable value to $47,721.50 on the following parcels: RP002790010020A, RP002790010050A and RP002790010080A.

Chairman Hofer stated there is an issue with lack of storage space at the jail. Currently, extra supplies for use at the jail are being stored the old Law Enforcement building behind the courthouse. Chairman Hofer suggested building a storage unit on the jail grounds so the extra supplies are more easily accessible. The Law Enforcement building can then be used for extra storage for the courthouse offices. Discussion followed.
