The Elmore County Commissioners met in regular session on the above date in the Commissioners Room, basement of the Elmore County Courthouse, 150 South 4th East, Mountain Home, Idaho.

Present at the meeting were Chairman Al Hofer, Commissioners Bud Corbus and Wes Wootan. Also present were Civil Attorney Buzz Grant, Clerk Barbara Steele and Deputy Clerk Shelley Hooper.

Brett Barry and Stephaney Church, of the National Forest Service, appeared to discuss future road maintenance options. They will be making changes to the maintenance levels of Forest Service roads. They need to reduce maintenance obligations by 25% due to funding issues and will try to select roads which are more infrequently traveled for the reduced maintenance. The regular maintenance will be on roads that are more heavily used for getting to scenic areas and will be designated for travel by standard passenger cars. The reduced maintenance will be done on roads that are used for hunting or wood gathering and will be designated for travel by high clearance vehicles. Many of the Trinity Ridge roads are still closed due to the Trinity Ridge Fire. They have received funding for repair and stabilization of these roads. Discussion followed.

Clerk Steele reviewed reimbursements the County will received for expenses paid on the Trinity Ridge Fire.

Mr. Curtis stated that one of their committee members has passed away and they have nominated Kevin Drake and Bruce Brink to join the committee. They would also like to have Reed Booth, of the Mountain Home Highway District, to join as a non-voting member, to be a liaison between the committee and the Highway District.

Attorney Grant will need to review grant requirements and building addition specifics. Mr. Boguslawski discussed the enforcement of snowmobile stickers. The Snowmobile Committee relies on sticker sales as part of their budget and there has been significant reduction in sticker sales.
