The Elmore County Commissioners met in regular session on the above date in the Commissioners Room, basement of the Elmore County Courthouse, 150 South 4th East, Mountain Home, Idaho.

Greg Maurer, Elmore Medical Center Administrator and Jay Wilson, Elmore Ambulance Service (EAS), appeared to review a proposal for the provision of Emergency Medical Services in the Pine and Featherville areas and the oversight of the Prairie and Atlanta Quick Response Units. Mr. Maurer stated that the current volunteer structure of the Pine ambulance service is not sustainable and feels there is a need for increased on-site supervision, off-site program management, training and volunteer recruitment. Most ambulance runs occur on the weekends during the summer months. Mr. Maurer proposed EAS staffing these areas during the busier months and providing community first aid training and education so the volunteers can handle the services during the less busy winter months. Discussion followed.
