The Elmore County Commissioners met in regular session on the above date in the Commissioners Room, basement of the Elmore County Courthouse, 150 South 4th East, Mountain Home, Idaho.

Present at the meeting were Chairman Al Hofer, Commissioners Bud Corbus and Wes Wootan, Civil Attorney Buzz Grant, Clerk Barbara Steele, and Deputy Clerk Shelley Hooper.

Sally Cruser, Executive Director of the Mountain Home Arts Council, appeared to request funding. Ms. Cruser reviewed the services the Mountain Home Arts Council provides throughout Elmore County. She provided a packet to the board listing sponsors, donators and the council’s expenses for the year. The summer concerts series is one of their most popular events. They have held several live performances at area schools, which provide the only opportunities for some students to ever see a live performance. Ms. Cruser discussed their annual budget costs. This is the first year the council is requesting a donation from Elmore County and is requesting $1,500.00. The board will address the request during the upcoming budget hearings.

Motion by Hofer, second by Wootan, to approve the minutes for March 31, 2014 and April 9, 2014.

The public portion of the meeting was held. Deirdre and Josh Lamanna appeared. Ms. Lamanna is an employee of ABL Management, who has the jail food service contract. After working her regular shift this past Friday, Ms. Lamanna received a phone call from her supervisor at ABL Management, stating that her access to enter the jail had been revoked by the jail commander, Lieutenant Kellerman. Ms. Lamanna was given no explanation as to why she was no longer allowed access to the jail and is unsure of whether or not she still has a job. Several calls to Lieutenant Kellerman and Chief Deputy Barclay went unanswered. Ms. Lamanna and her husband spoke to County Prosecutor Kristina Schindele and were advised by Ms. Schindele to discuss the issue with the board at today’s meeting. Ms. Lamanna stated that she has no idea what may have happened at the jail to prompt the issue. Mr. Lamanna stated that all they want is an explanation and to not be kept in the dark. They would also like a chance to discuss whatever the issue is and resolve it. The board had no prior knowledge of this event at this point. Chairman Hofer assured Ms. Lamanna that the board will meet with Sheriff Layher and Chief Deputy Barclay later today to discuss the issue and will have someone contact her.

Motion by Hofer, second by Corbus, to go into Executive Session pursuant to I.C. 67-2345(b) to discuss a personnel issue. Roll call vote was taken.

A Hearing of Continuation was held on cases K-01-13-03, K-02-13-02 and K-03-13-07. Present at the hearing were Chairman Al Hofer, Commissioners Bud Corbus and Wes Wootan, Civil Attorney Buzz Grant, Clerk Barbara Steele, Deputy Clerk Shelley Hooper, Social Services Director Marianne Bate. Attorney Michael Hague, representing St. Luke’s Elmore, was present via speaker phone. Questions were asked and answered and the hearing was closed.

Regular session resumed. As a result of the Executive Session the board will take the cases under advisement.

Sheriff Rick Layher and Chief Deputy Mike Barclay appeared. The board informed Sheriff Layher of the earlier meeting with Ms. Lamanna. Deputy Barclay explained that there were complaints filed against Ms. Lamanna by two female inmates. He had contacted Idaho Counties Risk Management Program (ICRMP) and also conducted an internal investigation regarding the complaints. As a result, it was found that Ms. Lamanna violated terms set forth in the contract with ABL Management, so her security clearance needed to access the jail was revoked. The supervisor at ABL Management was then notified of the violations and the revocation of the security clearance. Sheriff Layher stated that since Ms. Lamanna is not employed by the jail, they cannot terminate her employment with ABL Management, they can only revoke her access to work at the jail. ABL Management is her employer and it is their decision as to whether they will continue to employ Ms. Lamanna.

Rick Ferguson, Executive Director of the Idaho Counties Risk Management Program (ICRMP) appeared. The county’s ICRMP representative has retired, leaving the county with no agent, so Mr. Ferguson discussed several replacement options with the board. The board stated that they would like to use a local agent. Mr. Ferguson understands the county’s stand on using local agents, but feels it would be in the county’s best interest to work with an agent that is familiar with ICRMP. Mr. Ferguson can provide the board with a list of agents in the region that are familiar with ICRMP procedures. Discussion followed.
