Sheriff Rick Layher, Deputy Nancy Jo Hawley and Jeff Day, Waterways Board appeared to discuss grant
funding to purchase a new boat for the Waterways Department. Sheriff Layher stated that this type of
boat was build to navigate the moss and the shallow waters of the river. The boat costs $20,399.00. If

Sheriff Layher discussed utilizing the supervisor of the Pine Ambulance to do boat inspections. Idaho Parks and Recreation is now requiring the individual doing the inspections be law enforcement certified. Sheriff Layher will look further into this new requirement and get back to the board. Sheriff Layher also requested an increase in pay for a detective promoted to sergeant. He stated that he has extra money in his budget to cover the increase. The board would like an exact increase amount before they make a decision. Sheriff Layher also asked if this employee can transfer some of his accumulated sick time to his pregnant wife, who is also a county employee, as she does not have much sick time accumulated. Clerk Steele explained that it is not a county policy to transfer sick time from one employee to another, as sick time is accumulated at different pay rates for different employees. The board made no decision as to the request of transferring the sick time. Commissioner Corbus discussed the possibility of the county dispatchers taking Emergency Medical Dispatch classes. In the rare instances when an ambulance cannot immediately respond to a scene where an officer is present, the dispatcher can give basic emergency directives to the officer. Sheriff Layher stated that law enforcement officers used to be trained in basic emergency procedures and will look into starting up those training programs again.
