The Elmore County Commissioners met in regular session on the above date in the Commissioners Room, basement of the Elmore County Courthouse, 150 South 4th East, Mountain Home, Idaho.

Present at the meeting were Chairman Arlie Shaw, Commissioners Al Hofer and Wes Wootan. Also present were Civil Attorney Buzz Grant, Clerk Barbara Steele and Deputy Clerk Shelley Hooper.

Allen Kiester, Groomer Board, appeared to discuss Groomers having riders along with them. Mr. Kiester stated they have a person ride along with them while grooming for safety reasons or in case of emergency. There are several times when there are trees down, the weather is bad or a possibility of avalanches. Mr. Kiester prepared a Release of Liability Form and asked if riders should be signing it in case something should happen, as they will not be covered by the county’s insurance. Attorney Grant will review the Release of Liability Form and check with ICRMP (Idaho Counties Risk Management Program) regarding liabilities.

Attorney Grant discussed the NACo Prescription Drug Card Program. There have been several issues with NACo in the past eight months regarding documentation required to get the program started. He spoke with NACo two weeks ago and asked for the new documents to be sent to him for review and presentation to the Board. Attorney Grant didn’t receive the documents until late last week, and while reviewing them on Friday, realized they sent him the wrong documents. Attorney Grant requested the correct documents and is expecting to receive them sometime this week. He will review them and present them to the Board at the next meeting. Alan Christy, Growth and Development Director, appeared to discuss a request for a billing fee increase from Attorney Philip Miller, representing Ashcraft and Miller,
PLLC. They are requesting a fee increase for regular Planning and Zoning meetings and an increase in per hour fees for legal work done outside of regular meetings, to begin on October 1, 2012. Chairman Shaw stated that the Board will discuss the request and review the budget. Mr. Christy also updated the Board on the wind farms and solar farms progress, and building permit applications. Discussion followed.

Sheriff Rick Layher and Deputy Sheriff Laytreda Schultz appeared to discuss issues regarding the operations of the Sheriff’s Department. Deputy Schultz discussed the OHV (Off Highway Vehicles) Fund. Deputy Schultz stated the funding must be used for OHV only, for an annual education class and OHV patrols for registration checks. They have been putting the funds into the department’s general fund in years past, but now it must be kept separate to be used specifically for OHV. Sheriff Layher informed the Board of a complaint from an Oasis resident regarding a private air strip near his property. The resident states planes are flying low over his home and would like the Sheriff to investigate. Discussion followed.

Assessor Ron Fisher appeared to discuss an application for Cancellation of Taxes for reason of undue hardship for Brenda S. Wright. Last summer, Mrs. Wright found her domestic well water contaminated by a chemical causing her to break out in a severe rash. She needed to purchase water purifying equipment in order to use her well at a cost of $6,000.00, including installation. In 2010, her home suffered smoke damage from an accidental fire, which she was responsible for a $500.00 deductible. She applied for and was granted Tax Relief (Circuit Breaker), but failed to apply in 2009, 2010 or 2011. She has applied for 2012, and will be eligible for the Circuit Breaker. Mrs. Wright provided a financial statement as required in I.C. 63-711, and is requesting a cancellation of her taxes for 2011 in the amount of $292.64. Commissioner Wootan is familiar with the individual, so he recused himself from the vote. Discussion followed.

Motion by Hofer, second by Shaw, to approve the Tax Cancellation Request for Brenda S. Wright for parcel #RP00086032001DA in the amount of $292.64.
Motion by Shaw, second by Hofer, to recess as a Board of Equalization and convene as a Board of Commissioners.

A short recess was taken. Regular session resumed.

Motion by Shaw, second by Hofer, to go into Executive Session pursuant to I.C. 67-2345(d) – 31-874 to discuss indigent applications. Roll call vote was taken.
Regular session resumed. The following decisions were made as a result of the Executive Session:

K-06-10-15 Motion by Wootan, second by Hofer, to sign the Order of Dismissal. 50% of the case was paid by Crime Victims in 2011. In 2012, an Order of Restitution was granted. Elmore County is not the last resource. All providers who had an appeal have withdrawn.

K-12-11-07 Motion by Wootan, second by Hofer, to deny as not last resource. The applicant has been approved for Medicaid effective November 1, 2011 and will cover all bills on the application.

K-03-12-01 Motion by Wootan, second by Hofer, to deny as the applicant is not indigent. Applicant has discretionary income over 12 ½ times the monthly payment over five years. The treatment was not medically emergent. The application should have been sent in as a 10-day prior.

K-03-12-04 Motion by Hofer, second by Wootan, to deny as not indigent. Applicant has discretionary income over 2 ½ times the monthly payment over five years.
K-03-12-06 Motion by Hofer, second by Shaw, to deny as an incomplete application. The applicant refused to cooperate, not emergent treatment and Elmore County is not the last resource.

K-03-12-09 Motion by Hofer, second by Shaw, to deny as Elmore County is not the obligated county. Canyon County is the obligated county.

K-03-12-11 Motion by Wootan, second by Hofer, to deny as the applicant has discretionary income and does not appear to be medically indigent.

Regular session resumed. No action was taken as a result of the Executive Session.

Chairman Shaw discussed a letter he received from two County Judges suggesting the County put together a plan for a new courthouse. Planning at the current time may be very beneficial to Elmore County Tax Payers because of the possibility of obtaining so-called stimulus funds for “shovel ready” projects and having a plan in place would be a key factor in being able to take advantage of such an opportunity. Chairman Shaw suggested getting a “concept drawing” done. Adding onto the Courthouse may be a more feasible option. An Elmore County Courthouse Committee will be formed and a meeting will be scheduled to discuss the idea.

Motion by Wootan, second by Hofer, to adjourn for lunch and a Jail Inspection.

Alan Christy, Growth and Development Director, appeared to discuss a complaint by Rick Taylor regarding the private airstrip in Oasis. Mr. Taylor entered into an easement agreement with the owners of the airstrip (Red Baron Estates). Mr. Taylor sent an email to Mr. Christy stating his property is being harassed by low flying planes. He has taken photos of the planes flying over his property and wants the Sheriff to investigate the problem. Mr. Christy will put together a packet with all of the regulations regarding the airstrip and give it to Sheriff Layher so he can investigate the complaint.

Clerk Steele has received a request for copies of the Recorder’s Office scanned plats, surveys and other documents from a Surveyor in Boise. Clerk Steele will get with Attorney Grant to set a fee for the request. The Surveyor also wants monthly updates of those recordings.

Steve West, Centra Consulting Inc., appeared to update the Board on solid waste issues. They are working on GPS identifications of the methane monitoring wells on the Bennett Road Land Fill. They found three of these wells, which were only drilled to a depth of twenty five feet below the ground surface. Groundwater was not encountered in any of these wells. It appears that a fourth well is the only deep well with a drilling report. The well was drilled to 600 plus feet with no groundwater present. He will get the maps to the Board when they are completed. Mr. West talked to DEQ (Department of Environmental Quality) and BLM (Bureau of Land Management) and will be scheduling a meeting this week regarding the Glenns Ferry Landfill Environmental Covenant Agreement. They are working toward a solution of an encroachment issue for a strip of land along the landfill, and hope to have the issue resolved in the near future.

Motion by Shaw, second by Hofer, to adjourn.
