

Notes:
1. This map was created from various Elmore County GIS sources.
This map is intended to be used as a reference only. Elmore County cannot accept liability with the accuracy of information portrayed on this map.
2. The information portrayed on this map may not be accurate. Correct information should be obtained from utility companies.
3. Elmore County should work with utility companies to obtain accurate GIS information.
4. New transmission lines and upgrades to transmission lines should conform with the Eastern Treasure Valley Electrical Plan ("ETVEP"). Locations of upgrades can be found in the ETVEP.
