 (if yes, FAA forms provided to applicant) (applicant's initials\_\_\_\_\_)

The owner affirms the notice is completed in its entirety to include all required information and the information contained herein is true and correct.

The owner understands structures or additions to existing structures must meet setback requirements. The owner understands additional information may be necessary for a site in a floodplain or airport hazard zone. The owner understands there can be no gouging of hillsides. The owner must contact the appropriate highway district, forest service agency, or state transportation department regarding access from the road/highway to the property. The owner understands applications for state inspections (electrical, plumbing, etc.) may be required and shall obtain and submit to the state said inspection applications.

Should there be a disagreement with the Administrator's decision on the notice, a written Appeal of Administrative Decision specifying the grounds upon which the appeal is being made must be filed with the Administrator and the Planning and Zoning Commission within ten (10) days of the Administrator's decision. The appeal will be placed on the next available Planning and Zoning Commission agenda. A public hearing on the appeal will be required. Owner/Applicant will be responsible for any fees and charges associated with the public hearing.
